Profile:
I'm a LA-based product designer who focus on problem solving through creative paths.

Language Skills
+ Mandarin (native)
+ English (fluent)

Education

ArtCenter College of Design
B.S in Industiral Design
Fall 2022 - Now
Pasadena, CA

Awards & Recognition

ArtCenter College of Design Gallery
+Eames Lounge Chair Model
+Ceramic Tools
+Muji Eating Out Set

ArtCenter UG Scholarship
2022Fall – present

Professional Experience

Product Design Internship

Qi Design Studio, Suzhou, China Jan 2024 - Mar 2024
+ Refined concepts through CAD modeling, rendering, and prototyping.
+ Collaborated with manufacturers to optimize designs for production.
+ Communicated with clients throughout the design process.

Teaching Assistant of Prototype Process 1

ArtCenter College of Design, Pasadena, CA Jan 2023 - Apr 2025
+ Guided students in prototyping and fabrication techniques.
+ Supported workshop operations and project development.

Modeling Skills

+ Hands-on prototyping skill with various materials including wood, foam, acrylic, cardboard, styrene, etc
+ Spray paint finish
+ Laser cut
+ 3D print
+ Ceramics hand-build skills, glazing
+ Sewing skills

Digital Skills

+ Proficient in Mac and PC platforms
+ Adobe Illustrator, Photoshop, InDesign, Premiere Pro
+ 3D modeling with Solidworks, Rhino
+ Rendering with Keyshot, Vizcom
+ Sketch with paper, Procreate, Photoshop + Figma
+ Softgoods 3D modeling with Clo3D

Summary of Skills

Research & Concept Development

+ Conduct user research and translate insights into concept development.
+ Validate ideas through rapid prototyping and user testing.

Prototyping & Making

+ Skilled in rapid prototyping across digital and physical mediums.
+ Experienced in model making, fabrication, 3D printing, laser cutting, and sewing.

Problem Solving

+ Apply analytical and systems thinking to transform complex challenges into user-centered design solutions.
+ Self-motivated and quick to learn new tools, workflows, and emerging technologies.

Collaboration & Communication

+ Collaborate effectively with cross-functional teams and communicate design decisions through clear visual, verbal, and written storytelling.
+ Build strong working relationships across disciplines while balancing multiple projects and priorities.
